Title: My Fashion Blog

Background

You are interested in fashion, and you want to share your experience with everyone.

Complete this assignment to do this now ☺

Reference site: <http://us-123fashion.simplesite.com/>

Program Specifications

Program a website to share your experience in fashion, detail functions of this website are described below

Features:

This website contains 3 main functions

- Function 1 : Home page : (see PIC 01)
 - Display top 4 entries sorted by published date
 - Each entry contains
 - Entry name
 - Icon
 - Description picture
 - Entry description
- Function 2 : About me (PIC 02)
 - Describe about yourself, your favorites
- Function 3 : Contact (PIC 03)
 - Help user to submit her requests

You do not need to write interface for admin control panel, you can add data manually (use SQL SERVER Management studio).

Note: All data must be loaded from database, not hard coded in page.

Expectation of User interface:
